

EU-JAPAN CENTRE FOR INDUSTRIAL COOPERATION EUROPEAN OFFICE

FOR THE ATTENTION OF THE INTERNATIONAL RELATIONS OFFICE

VULCANUS IN JAPAN 2017 - 2018

Brussels, November 2016

Dear Sir or Madam,

The trainee programme VULCANUS IN JAPAN* offers **industrial placements in companies in Japan** to EU /COSME** university students of engineering, high-tech or other scientific fields***, **enrolled -when applying- in at least the 4th official year of studies**. (Should your university offer only a 3-year course of studies, your students will not be eligible).

We are currently contacting all the people in charge of international traineeships at universities, within the EU**Member States. We would highly appreciate if you could **advertise this programme in your university**.

Please find enclosed the following documents (also downloadable from <http://www.eu-japan.eu/events/vulcanus-japan>)

- A poster advertising the programme
- The application form
- Information on how to prepare the compulsory documents that we request with the application.
- "Frequently Asked Questions"

Applications must be sent by post (through the International Relations Office or directly by the student). It is possible to send several applications in the same dispatch.

Each application must include all the documents listed in the 1st page of the application form itself. (We cannot accept documents sent separately). The application form must be duly filled in, and signed. Should this not be the case, the application will automatically be rejected.

The application deadline is **20 January 2017** (as per postmark).
Please do not hesitate to contact me for any further information you may require.
Thank you in advance for your cooperation.

Yours faithfully,

Margherita Rosada
Vulcanus Programmes Manager
