

AGREEMENT

for Academic Cooperation between the
ARISTOTLE UNIVERSITY OF THESSALONIKI
and the
JORDAN UNIVERSITY OF SCIENCE and TECHNOLOGY - IRBID

The contracting parties: 1) The Aristotle University of Thessaloniki, represented by its Rector, Professor MICHAEL A. PAPADOPOULOS, and 2) The Jordan University of Science and Technology - Irbid represented by its Rector, Professor Dr. SAA'D HIJAZI, agreed on the following:

ARTICLE I

The University of Thessaloniki and the Jordan University of Science and Technology will establish academic relations and collaboration in teaching and research in different academic fields of mutual interest, which will be specified by a working programme prepared prior to the year it refers to.

ARTICLE II

1. Lectures and seminars

Each of the contracting parties is engaged for mutual exchange of **one (1)**, member of their teaching staff, per year. Every teaching staff member of both Universities will stay at the inviting University **seven (7)** days the outmost, to give lectures or seminars on subjects within the program of studies of the Schools of:

- **Civil Engineering**
- **Architecture**
- **Survey Engineering**
- **Mechanical Engineering**
- **Electrical Engineering**
- **Chemical Engineering and**
- **General School of Physical and Mathematical Sciences,**

which function at both Universities.

These lectures and seminars will be given either in the language of the host country, or in one of the following language: English, French or German. In the second case, it would be more convenient, if a translation of the text in the language of the host country was available, either as a written text distributed previously, or using a simultaneous oral translation.

2. Common Research Programmes

Members of the teaching staff and research associates, serving at the above mentioned schools of both Universities, will collaborate in Common Research Programmes, whose results will be jointly published and to the mutual benefit of both Institutes.

3. Publications etc.

Exchange of publications and scientific annuals between the two Universities.

4. Working Program

For the realization of the activities mentioned above, a Working Program covering a whole academic year is to be drawn up and signed. This Program will be elaborated by a two-member Committee, consisting of one representative of each University at least six (6) months prior to the beginning of the relevant academic year.

The Working program will include the names of the teaching staff members and the research associates, who will visit the two Universities respectively, the academic fields to which the lectures of the above scholars will refer and the time and term of stay in the host country on a basis of absolute mutuality and equality concerning their number and the number of their lectures or seminars, as well as the department and laboratories where the Common Research Programmes will be carried out .

The members of the above committee, as well as any alternate member, will be appointed by each of the Universities and for the contracting period, immediately after the signing of the present contract and both Universities will mutually announce the names of the committee member to each other.

ARTICLE III

The traveling expenses of the lecturers and research associates, are covered by the University that sends them, while the stay and accommodation expenses will be covered by the host-University.

As far as the Common Research Programmes are concerned, the host-University, namely , the University where the scheduled research programme is being carried on , undertakes the required expenses for eventual visits outside the seat of the relevant University , for both guests and host-scholars, provided that an additional sum covering these expenses will be requested by the departments , in time and before the signing of the Working Programme.

ARTICLE IV

This contract is in force immediately after the authorised representatives of both Universities have signed it. Its validity is for two years and will be renewed automatically, unless six months either contracting party gives notice in writing. Such notice shall not in any case break off any activity already being implemented.

The contracting parties declare that have read the present document and have agreed on all terms and conditions herein the agreement, issued in two (2) copies in English, is signed by both contracting parties .
