

Cologne Summer School on Legal Aspects of European Integration “Cologne in the Center of Europe. Unity and Diversity in the Process of European Integration”

Cologne, 7-25 July, 2014

Program

This high-quality academic program which is run by professors of the faculty of law of the University of Cologne and close partners consists of different modules which focus on various legal aspects of European Integration as History and Society, Governance in North Rhine-Westphalia, Germany and Europe and various aspects of German and European economic law like e.g. company, labour, insurance and attorneys law.

It includes lectures and workshops in the mornings, time for self-study and presentations in the afternoons as well as site inspections and excursions to Berlin and Strasbourg. Most evenings are free, your chance to explore the summer in the beautiful metropolis which is situated at the river Rhine.
