## Cologne Summer School on Legal Aspects of European Integration

Cologne, December  
2013

Dear Partner,

On behalf of Professor Bollig, Vice-Rector for Academic Careers, Diversity and International Affairs and Dr. Bildhauer, Head of the International Office, I would like to inform you about a new, excellent short-time summer program:

### **Cologne Summer School on Legal Aspects of European Integration “Cologne in the Centre of Europe. Unity and Diversity in the Process of European Integration”**

**07 July – 25 July, 2014**

This Summer Academy addresses advanced Bachelor students in Law or related subjects that draw upon law from an interdisciplinary perspective. It includes lectures, workshops, site inspections, excursions, welcome and farewell dinner and accommodation. The language of instruction will be English and up to 6 ECTS will be granted.

**No tuition fees** have to be paid by those students who will be nominated by your university and chosen by the selection committee of the University of Cologne. Only travel costs, insurance plan and board have to be taken over by the participants themselves.

We would be very grateful if you could inform your interested students with the help of the attached information sheet. Please nominate up to three qualified candidates by a nomination letter, which candidates include into their application material. The application deadline is **31 March, 2014**.

Please find all necessary information and the application form at:

[www.colognesummerschools.uni-koeln.de](http://www.colognesummerschools.uni-koeln.de)

We would be very glad to receive applications by nominated students of your university and to be their host partner university this summer!

Please do not hesitate to contact me with any questions that may arise.

Sincerely yours,
