RENEWAL and AMENDMENT

of the Cultural Exchange Agreement between ARISTOTLE UNIVERSITY of THESSALONIKI and THE MUNICIPALITY OF DRESDEN

The contracting parties 1) Professor Haralambos N. Feidas, Rector of the Aristotle University of Thessaloniki, Greece and 2) Dr. David Klein, City of Dresden, Culture and Monument Preservation Office, acting as representatives of the aforementioned Universities, agreed on the following:

The Cultural Exchange Agreement, originally signed in 2014 between the two Universities, is being renewed indefinitely and will take effect immediately upon the signatures of the authorized representatives of both Universities. The parties confirm that the Agreement has been valid since 2014 and will remain in effect until the authorized representatives of both Universities sign this renewal. As implied by the interpretation of Article 1, the agreement has been automatically renewed annually, even though the term 'each year' was not explicitly stated in the original article's text.

This renewal pertains to all the conditions of the original Agreement with the amendment in Article 1:

"Article 1 "Duration of the Agreement"

This agreement is binding until 31.12.2014 and will automatically be prolonged each year for the period of another 12 months, provided no party will cancel the agreement until the end of the actual year (31th December)."

In confirmation of the Agreement this document is composed in two (2) exact copies in English, and it has been signed by the contracting parties.
