

These activities are referred to as “academic cooperation”.

Article 2

The “academic cooperation” as described in article 1 will apply to all fields of study covered by both Parties.

Article 3

Terms referring to the exchange of students are detailed in a separate document in an appendix to this Memorandum of Understanding, called “student exchange agreement”.

Article 4

Activities under the “academic cooperation” other than those specified in Section 3 will be subject to appendixes or additional agreements that will complement this Memorandum of Understanding and which must be signed by both Parties before commencing each activity.

Article 5

The publications, documents and pedagogical tools exchanged remain the exclusive property of the institution which created them. Intellectual property related to common activities will be subject to specific agreements.

Article 6

This agreement is written in two versions, one in French and the other in English. Each version has the same legal value.

Article 7

This agreement shall take effect on the date of the last signature. It is signed for a period of five (5) years, renewable in a formal manner for another period of five (5) years after assessment of the partnership six (6) months before the expiration of the agreement.

Each Party will be able to bring this agreement to an end. In case of denunciation of this agreement by one of the Parties, a written notification must be sent to the other signatory at least six (6) months before the end of this agreement. Both Parties must then complete the ongoing actions.
