Subject: Call for Expression of Interest for Professors to Develop/Teach EMUNI Masters in Public Admin

Dear Inner Circle Members,

EMUNI, in partnership with eLearnAfrica, a social entrepreneurship, and Wiley, a leading provider of online education, is developing a master study programme titled Master of Public Administration in the Post-Crisis Era. This programme is offered entirely online, comprising 60 ECTS as part-time study.

The programme is designed to be of particular relevance to those seeking quality online education to improve their knowledge and advance their careers in various sectors related to public administration, particularly to those from across the Mediterranean region and the African continent.

EMUNI is looking for qualified HE faculty members to develop and thereafter teach, with strong support and guidance, online teaching material for two modules.

Please kindly find attached the Call and all relevant details.

Best wishes,
